Welcome back to Yogyakarta!

A Remarkable Journey: 10 Years Later, Back to Where It All Began!

What is openSUSE.Asia Summit?

.., the summit have been great opportunities for the online community to gather in person, know each others, and share knowledge and experiences about openSUSE including applications that running on it.

Discuss any distro? Feel free during chat!
But of course, since we are at openSUSE.Asia Summit, we'd love to see at least a touch of openSUSE in your official sessions :-)
